ADDENDUM:

IMPORTANT ANNOUNCEMENT!!

Robert Johnson and Scott Liddell will be here from Gallaudet University on February 3, and 4, 1990, to present two workshops for parents on Unlocking the Curriculum and their research into communication and deaf education.

Registration forms were mailed to parents last week. If you have not received your registration form, please contact Jennifer Seet to have one sent to you.

Babysitting will be provided for Preschool and Elementary students only. Due to a shortage of people to babysit, we can only provide this service for our preschool and elementary students (no brothers or sisters). We apologize for any inconvenience this may cause parents.

In order to have the babysitting service, parents should send in their registration form by January 28th. Any registration form received after that date will be accepted for the workshop only - not for babysitting purposes.

It is important that you send in your registration form ahead of time if possible, so we can get an accurate count on the number of people planning to attend each workshop (Saturday or Sunday).

Lunch will be provided to people attending the workshop at no cost. PTCO Board has garciously offered to pay for your lunch that weekend. Students' meals will be provided free of charge, as in the case when they are attending school.

This should be a very informative and exciting workshop. Please plan to attend. Hope to see you there!
